FISIOTERAPIA EM GERAL

CONSULTA DOMICILIAR \$85
Metabolize facial cells, eliminate melanin, inhibit formation of skin pigment, and condition the skin.

RPG \$90
Exfoliation, extraction, purifying plant extracts, and a soothing mask to calm and clarify the skin.

TRATAMENTO DE ESCOLIOSE \$570
Infused with roe extract, marine DNA, collagen, quince extract, CoQ10, and sodium hyaluronate.

BODY TREATMENTS

BODY POLISH \$300
A gentle exfoliating body cream eliminates dead skin cells, and soothing marine collagen body balm

SEAWEED WRAP \$370
This deeply relaxing and rejuvenating treatment includes a gentle essential oil scrub and a warming, mineral-rich, full-body algae wrap.

DETOXIFYING MUD WRAP \$480
A deep-cleansing body polish prepares the skin for a warm Dead Sea mud wrap and mask infused with healing and detoxifying essences.

CELLULITE TREATMENT \$380
This treatment involves the use of a handheld device which transmits two gentle forms of low-level electrical stimuli through conductive clay.

CELLULITE FIGHTING \$370
Designed to eliminate water retention and the build-up of cellular toxins, this wrap gives you a smoother, leaner body profile.

PURIFYING BACK TREATMENT \$270
A deep-cleansing treatment for that hard to reach skin on the back. It includes a deep cleaning treatment, a relaxing skin-softening steam and a rebalancing mask.
